Title: The Gatekeeper

Author: The Underworld

Seek out The Gatekeeper.
Tis a mysterious being,
who involves as many as
possible in quests of
intrigue. Is he friend or
foe? We do not know.
Many say both, some say
neither.
The Gatekeeper appears
at some player
establishments and regular
events or meetings. Yet,
do not confuse The
Gatekeeper with the
events regarding Lord
British. For The
Gatekeeper is merely an
observer in such events.
The destiny of man and
other beings in the quest
for Lord British will
unfold as destined. The
Gatekeeper will merely
observe.
